### **BURDELL-HUNT RECERTIFIED AS LIGHTHOUSE SCHOOL**

June 16, 2021

(MACON, GA) – On June 12, Burdell-Hunt Magnet School received notification that it had been officially recertified as a Leader in Me Lighthouse School. Every two years, each Leader in Me Lighthouse School must pursue this recertification to maintain its status in the program.

“It is an honor to receive Lighthouse Recertification, as this is a prestigious and high-profile validation of our hard work to empower our students to be leaders at school and home by setting goals, tracking progress and living a balanced life through modeling ‘The 7 Habits,’” said Principal Tanya Allen. “As we progress as a Lighthouse School and continue to grow ourselves, we want to highlight our students for the amazing things they can do. We are committed to lighting the way of excellence and adding positive value to our community.”

Lighthouse status reflects achievement of a high standard of implementation of Leader in Me and Stephen Covey’s book “The 7 Habits of Highly Effective People.” Burdell-Hunt has been recognized for a committed effort to implement these concepts throughout its school community.
