GADOE RELEASES SCHOOLS IDENTIFIED FOR ADDITIONAL SUPPORTS

2 Bibb Schools Make Improvements to Exit Identification Lists

January 9, 2024

(MACON, GA) – On Tuesday, January 9, the Georgia Department of Education (GaDOE) released its updated list of Comprehensive Support and Improvement (CSI) Schools, Targeted Support and Improvement (TSI) Schools, and Additional Targeted Support and Improvement (ATSI) Schools for 2023-2024. GaDOE also released the list of schools that have made the necessary improvements to exit the CSI and TSI lists. These lists have been updated based on a modified version of the College and Career Ready Performance Index (CCRPI) released by GaDOE.

Under the federal Every Student Succeeds Act (ESSA), states are required to identify schools in need of additional support – in Georgia, these designations are referred to as CSI and TSI. Identification for CSI or TSI support *does not* mean a school is not improving or making progress.

The GaDOE's Office of School Improvement works directly with CSI schools and provides assistance to help them improve the educational outcomes of their students. School districts are charged with providing supports to TSI schools, while the state provides professional learning and targeted technical assistance.

Exit List:

- Veterans Elementary School (Exited CSI)
- VIP Academy (Exited TSI)
