BIBB PRE-K REGISTRATION OPEN FEB. 5-29

January 29, 2024

(MACON, GA) – The application process for the Bibb County School District’s Pre-K Lottery will be open online from February 5-29. This application will be available at www.bcsdk12.net/prekapp.

“Pre-Kindergarten provides opportunities for children to build a strong foundation and excitement for learning. We help develop their communication, collaboration, and problem-solving skills, teach them how to take care of themselves, as well as build strong literacy and numeracy foundations,” said Olena Stadnik, the District’s Director of Elementary Services. “We teach in ways that interest our students through games, play, music, physical activities, arts, read-alouds, dramatic play and more. Our Pre-K graduates enter Kindergarten with confidence from the beginning and continue to strive throughout their education career.”

Slots will be available through the lottery at any of the District’s 21 elementary schools and Northwoods Academy. Once selected through the lottery process, families will be asked to provide further documentation related to residence, identification and immunization.
