

District Online Content Available to Students via *Classlink*

ClassLink direct link: <https://launchpad.classlink.com/bibb>

The BCSD uses a single sign-on application titled **ClassLink**. Once a student logs in to **ClassLink** using their district account and password, the following applications should be available.

Note: Office 365 may require students to login a second time in order to access Office applications i.e. Word, OneDrive, etc.
